APTITUDE TESTING INFORMATION

All 1st year pupils are scheduled to sit a standardised aptitude test in the coming weeks. This tests a pupil's verbal, non-verbal, mathematical, and spatial abilities. It is a snapshot in time of a pupil's abilities and strengths.

It provides some information and guidance to the school to assist in providing the best possible education for each pupil.

Your daughter will sit her test on one of three sittings during her DLG classes on the weeks beginning Monday 9th Nov 16th Nov and 23rd Nov.

Please ensure your daughter brings a set of headphones to school with her on each of those dates as they are needed for the test.

The Aptitude Test will be administered by the school's Guidance Counsellors and DLG Teachers

Christine Mackell, Maria Croke and Keith Mc Guinness
